### Speech and Hearing Sciences

**Speech and Hearing Sciences, SPHS**

1020. Speech for International Students. 3 hours. (3:2) Designed for international students learning English as a second language. Emphasis on improving oral English communication skills through lectures and labs on speech sound production, vocabulary, grammar, word order, intonation and idioms. Individual and small-group work. Satisfies the Communication requirement of the University Core Curriculum.

1040 (SGNL 1301 or 1401 or 1501). American Sign Language I. 3 hours. Introduction to American Sign Language. Development of a beginning vocabulary of approximately 600-plus signs. Principles of linguistics and grammatical structures. History and current trends of ASL. Development of basic expressive skills using the manual alphabet, numbers and signs.

1050 (SGNL 1302 or 1402 or 1502). American Sign Language II. 3 hours. Expansion of basic vocabulary to approximately 1200-plus signs. Practical application of the linguistics and grammar of ASL. Introduction to deaf culture. Development of expressive fluency in finger-spelling and signing. Primary focus upon receptive recognition and comprehension of simple situational conversations in ASL. Prerequisite(s): SPHS 1040 or equivalent.

1060 (SPCH 1342). Voice and Articulation. 3 hours. Mechanisms of speech; breathing, enunciation and pronunciation; phonetics.

2000. Life Cycle of Speech and Hearing. 3 hours. The development of speech, language and hearing skills from early infancy to advanced age. Comparison of normal and disordered communication and how aging, environment, culture and socioeconomic factors influence speech, language and hearing skills. Emphasis on the impact of communication handicaps on family, society and quality of life.

2040 (SGNL 2301). American Sign Language III. 3 hours. Expansion of vocabulary to approximately 1800-plus signs. Provide and receive natural conversational information in ASL in a variety of contextual settings. Exposure to deaf community events and interaction with deaf adults. Prerequisite(s): SPHS 1050 or equivalent.

2050 (SGNL 2302). American Sign Language IV. 3 hours. Development of receptive and expressive vocabulary to approximately 2400-plus signs. Spontaneous utilization of ASL at conversational rates with fluent signers. Translation of ASL idiomatic expressions into English. Signing of English idioms into conceptually based ASL. The deaf perspective of bilingual and bi-cultural issues. Prerequisite(s): SPHS 2040 or equivalent.

2900. Special Problems. 1–3 hours.

3020. Phonetics. 3 hours. The international phonetic alphabet, basic articulatory acoustic phonetic principles, pronunciation rules, segmental and suprasegmental features, and in-class practice of phonetic transcription.

3050. Introduction to Disorders of Articulation and Phonology. 3 hours. Introduction to the nature, causes and characteristics of articulation and phonological disorders; principles of evaluation and remediation. Prerequisite(s): SPHS 3020 or equivalent.

3070. Introduction to Audiology. 3 hours. Overview of the field with emphasis on disorders of the auditory system and assessment of hearing sensitivity.

4010. Normal Speech and Language Development. 3 hours. Normal language development from birth through adolescence, with consideration of current theories of acquisition, pertinent research and issues related to cultural diversity.

4060. Clinical Practicum in Speech-Language Pathology and Audiology. 1–3 hours. Experience in Speech and Hearing Center. Requirements: All undergraduate majors must enroll for no fewer than two separate terms/semesters for a total minimum of 6 credit hours. Prerequisite(s): 9 hours of major courses to include SPHS 3020. Students must have and maintain a GPA of no less than 3.0 for all departmental courses 3000-level and above, a degree plan on file in SPHS and/or departmental approval. Pass/no pass only.

4090. Basic Rehabilitative Audiology. 3 hours. Methods of improving communication skills of the hearing impaired through speech and language training, amplification, speech reading, auditory training and counseling. Prerequisite(s): SPHS 3070 or equivalent.

4120. Neurological Bases of Speech and Hearing. 3 hours. Structure and function of the human nervous system as related to speech and language learning and usage. Emphasis on the reception and integration of sensation and the production of verbal and non-verbal responses. Prerequisite(s): SPHS 4130 or consent of instructor.

4130. Anatomical Bases of Speech and Hearing. 3 hours. Anatomy and physiology of the articulatory, phonatory, respiratory and auditory systems involved in speech production and perception.
4140. Introduction to Language Disorders. 3 hours. Nature, causes and characteristics of language disorders in children and adults. Principles of evaluation and remediation of language problems. Prerequisite(s): SPHS 4010 or equivalent.

4150. Speech and Hearing Sciences. 3 hours. Theories of utterance formulation, physiological production, acoustic transmission, and auditory reception, recognition of the human speech signal. Prerequisite(s): SPHS 3020, 4130, or consent of instructor.

4210. Clinical Methods in Speech-Language Pathology. 3 hours. Introduction to the processes involved in assessment, diagnosis and remediation of speech and language disorders. Application of these processes to various work settings.

4900. Special Problems. 1-3 hours. Problem must be approved by department director.

Teacher Education and Administration

Bilingual and English as a Second Language Education, EDBE

3470. Foundations of Bilingual and English as a Second Language Education. 3 hours. Examination of philosophies and theoretical underpinnings of bilingual and ESL education, including a review of historical antecedents of bilingual education and evolution of federal and state language policies governing the education of language-minority children. Required for students seeking EC-4 or 4-8 generalist certification with specialization in bilingual or ESL education. Prerequisite(s): admission to Teacher Education or consent of department. May be taken concurrently with EDBE 3480.

3480. Bilingualism and Multiculturalism: Issues and Perspectives. 3 hours. Study of the bilingual learner, perspectives on multiculturalism, discussions of cognitive, social and affective factors impacting second language development; insights into education in a pluralistic society. Observations are required. Required for students seeking EC-4 or 4-8 generalist certification with specialization in bilingual or ESL education. Prerequisite(s): admission to Teacher Education or consent of department. May be taken concurrently with EDBE 3470.

4470. Curriculum and Assessment for Bilingual/ESL Education. 3 hours. Examination of the organization of curriculum for second language learners with special focus on testing and evaluation procedures appropriate for bilingual and ESL classrooms; study of formal and informal assessment of language proficiency for instructional purposes and use of standardized achievement tests. Required for students seeking EC-4 or 4-8 generalist certification with specialization in bilingual or ESL education. Prerequisite(s): EDBE 3470, 3480 and admission to Teacher Education or consent of department. May be taken concurrently with EDBE 4490.

4480. Bilingual Approaches to Content-Based Learning. 3 hours. (3;0;1.5) Study of appropriate first language usage in bilingual classrooms, focusing on different core curriculum areas, methods and materials and review of language distribution strategies. Focus on responsive instruction that makes use of effective communication techniques and instructional strategies that actively involve students in the learning process. Required for students seeking EC-4 or 4-8 generalist certification with specialization in bilingual or ESL education. Requires 1.5 hours per week field experience in a bilingual education classroom. Language of instruction is Spanish. Prerequisite(s): EDBE 3470 and 3480, admission to Teacher Education or consent of department and successful completion of departmental proficiency examination in Spanish.

4490. Teaching ESL EC-12: Instructional Strategies and Resources. 3 hours. (3;0;1.5) Study of methods and techniques of teaching English as a second language in elementary and secondary schools. Language development techniques and materials for students at different levels of English proficiency. Focus on helping students to develop strategies (consistent with state standards for language and content learning) that can improve the English language proficiency and grade level subject matter knowledge of English language learners. Required for students seeking EC-4 or 4-8 generalist certification with specialization in bilingual or ESL education. Requires 1.5 hours per week field experience. Prerequisite(s): EDBE 3470, LING 4030 and admission to Teacher Education or consent of department. May be taken concurrently with EDBE 4470.

Educational Administration and Supervision – see Graduate Catalog

Educational Curriculum and Instruction – see Graduate Catalog

Educational Foundations, EDUC

4800-4810. Studies in Education. 1-3 hours each. Organized classes for specific program needs and student interest. Prerequisite(s): consent of department. Limited-offering basis. May be repeated for credit.

4900-4910. Special Problems. 1-3 hours each.

Elementary Education, EDEE

2000. Exploring Diversity Through Social Action. 3 hours. (3;0;45) Exploration of diverse populations in U.S. society through a field-based practicum in various settings throughout the Dallas–Fort Worth–Denton area. Weekly seminars attend to issues related to race and ethnicity, gender, social class, disability, and sexual orientation. A minimum of 45 hours of community service is required. Required for those seeking grades 4-8 teacher certification. Satisfies the Cross-cultural, Diversity and Global Studies requirement of the University Core Curriculum.

3320. Foundations of Education: The School Curriculum. 3 hours. Principles and foundations of curriculum for grades EC-8 in public schools. Includes the study of professional ethics/responsibilities, educational philosophies, the history of American education, schools and society, school and community/parent relationships, legal/political control and financial support, school/classroom organizational patterns, and curriculum development/alignment. Prerequisite(s): admission to the teacher education program (includes participation in a field-based program), a child/adolescent/lifespan development course, and an educational-application computer course.
